

MAKE SPACE FOR WOMEN

Win a cash prize for yourself, your school or your organisation!

COMING SOON... The *Community Plan for Holloway* **MAKE SPACE FOR WOMEN** COMPETITION

In January 2021 we are launching a competition for local schools, organisations and residents with cash prizes. Community Plan for Holloway is campaigning for enough space in the Women's Building on the Holloway Prison redevelopment to replace the services that were lost and meet all women's needs. For the competition, local pupils and residents tell us why they think women need space in the women's building through the medium of:

- A story
- A poem
- An image
- A video

The competition will be launched Jan 2021 though a video and submission will be open for 6 weeks.

We would love to work with you to launch the competition in your school or organisation and encourage entries through an online introductory session or ongoing art or writing workshops.

Please get in touch with Debbie to find out more.... engage.plan4holloway@gmail.com and 07831 811490.
